

BLU-JET
ALL TERRAIN INJECTION

AT4015™

STEP UP TO A HIGHER CLASS OF EFFICIENCY

Field Proven Durability Meets Cost Efficient Productivity

With a 1400 gallon cone bottom tank for complete drain-out, while reducing sloshing and number of fills, the AT4015 is a great fit for those matching 30', 40', or 60' planting widths. It makes standard many features, such as gull wing lift and 3" bottom fill plumbing, which are optional on lesser applicators.

AT4015™

High Acreage Precision Applicators

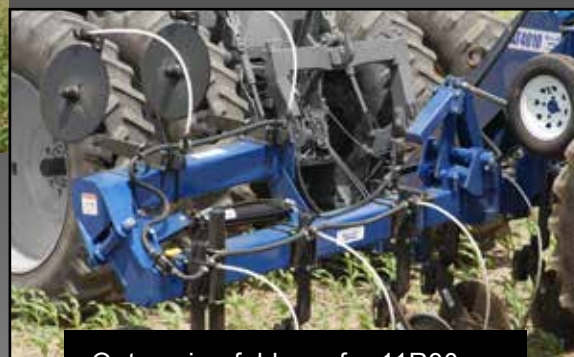

Designed and built to rugged BLU-JET standards, AT4015, 40' Liquid Applicators are ready for your operation. Features like the 1400 gallon cone bottom tank, bottom fill plumbing for easier filling, and the 9 gallon wash tank toolbox are standard equipment to make your job easier. Combined with BLU-JET's JetStream nozzle injection or coulter knife injection row units, the BLU-JET AT4015 offers the very best in liquid injection technology.

BLU-JET

Exclusive Jet Stream Row Unit with high pressure direct injection or coulter knife injection

Outer wing folds up for 11R30 (76 cm) operation

Easy access to 3" (76 mm) bottom fill plumbing

Specifications:

Row Spacings	11R30, 15R30, 17R30, (76 cm) 19R22, 23R22, (56 cm) 25R20, (51 cm) 23R18, (46 cm) 12R36, 38, 40, 11R38, 13R38, (92, 97, 102 cm)
Deluxe Fold Outer wings fold up for	11R30 (76 cm) Operation
Main Frame	Heavy Duty Integrated Welded Design
Cat IV Pintle Hitch	Standard
HD 5 Section Toolbar	On 11/15 and 11/17 Model
Automatic Hydraulic Gull Wing During Turns	Standard
Wing Flex	±7 degree
Wheels and Tires 120" Tread	Radial 320/90R46 Lug or Dual 12.4-38 14 ply Lug
High Axle Clearance	30" (76 cm)
Cone Bottom Tank	1400 Gallons (5300 L) with 3" (7,5 cm) Bottom Fill
John Blue Pumps	Double Piston NGP -9055, Single Piston NGP -7055
Variable Rate and Sectional Shutoff	Complete or Partial System Option
Plumbing	Full Length 3/4" (1,9 cm) Parallel Manifold
Coulters	Super 1200 Coulters with 20" (51 cm) Smooth Blades
Overall Length	15'8" (4,81)
Transport Width	16'8" (5,08 m)
Transport Height	12' (3,66 m)
Empty Weight	9,000 lbs. (4082 kg) Standard 15R30 (76 cm)
Hitch Weight in Transport	2,500 lbs. (1134 kg)
Water Tank/Toolbox, Transport Chain & Jack, Lighting Kit, Standard
